

Convivium

BAR

Un'idea nata per caso, in una location unica al mondo. Ai piedi dell'Etna e di fronte al Dio Nettuno, di fronte al mare. Immerso non in una storia ma in un mondo di cultura e tradizione. In un posto dove tutto è vero, non Bio, ma vero.

Dove il KM zero non esiste, qui si produce, non si compra. Dove la tradizione diventa gusto ed innovazione e la mente può godere dei frutti della natura. La realtà di un bar conviviale, dove i nostri ospiti possono trovare solo ed esclusivamente primizie create dalla terra, coltivate da mani sapienti e trasformate per voi amanti del vero in miscele uniche nel loro stile. Sedetevi, annusate, gustate, rilassatevi e chiudete gli occhi. Godete della natura, in perfetto stile italiano. Benvenuti al “Convivium bar”
Salute!

An idea born by chance, in a location unique in the world, under Etna volcano and in front of the sea. A place surrounded by culture and tradition. A place where everything is true, organic from our own production. Here tradition becomes taste and innovation, where body, mind and spirit have chance to enjoy the fruits of the nature directly from the land. Here adventure and passion become reality, the reality of a bar unique in the world, where our guests can enjoy the real taste of nature, for the lovers of mixtures unique in the world. Sit, smell, taste, relax, close your eyes and Welcome to the “Convivium Bar” Cheers!

Paolo Sanna

A handwritten signature in black ink, appearing to read 'Paolo Sanna', with a stylized, flowing script.

Our bars use biodegradable straws made of PLA, a plant-based bioplastic which is 100% renewable; we don't use anything made from petroleum, a non-renewable resource. Our toothpicks are also all natural and made from compostable, raw materials. We also use napkins made from 100% cotton and are fully recyclable.
