Convivium

BAR

**RELAIS &
CHATEAUX**

Our bars use biodegradable straws made of PLA, a plant-based bioplastic which is 100% renewable; we don't use anything made from petroleum, a non-renewable resource.

Our toothpicks are also all natural and made from compostable, raw materials.

Un'idea nata per caso, in una location unica al mondo. Ai piedi dell'Etna e di fronte al Dio Nettuno, di fronte al mare. Immerso non in una storia ma in un mondo di cultura e tradizione. In un posto dove tutto è vero, non Bio, ma vero.

Dove il KM zero non esiste, qui si produce, non si compra. Dove la tradizione diventa gusto ed innovazione e la mente può godere dei frutti della natura. La realtà di un bar conviviale, dove i nostri ospiti possono trovare solo ed esclusivamente primizie create dalla terra, coltivate da mani sapienti e trasformate per voi amanti del vero in miscele uniche nel loro stile. Sedetevi, annusate, gustate, rilassatevi e chiudete gli occhi. Godete della natura, in perfetto stile italiano. Benvenuti al “Convivium bar”,
Salute!

This drinking spot is an idea born by chance, in a location that is unique in the world, Sitting below Mount Etna, overlooking the sea, on an island immersed in culture and tradition. It's a place where everything is genuine and organic: with ingredients that come from our own estate. Here, we produce rather than purchase. Here, heritage blend with innovation. It's a place where body, mind and spirit can enjoy the fruits of the nature directly from the land. Adventure and passion become a reality, in a special bar like no other, where lovers of creative mixtures can enjoy the real flavours of nature.

Sit, smell, taste, relax, close your eyes. Relish nature, in true Sicilian style

Welcome to the “Convivium Bar”, Salute!

Paolo Sanna
